How it works

Gotham Round, Light, 41.5 pt

Kode connects people who lose things, with the people who find them.

Place Kode's beautifully designed and uniquely coded stickers on all of your mobile devices, ID, keys, or whatever you don't want to lose.

How it works ——— Gotham Round, Light, 40pt

Getting your lost items
back has never been
so **simple.**

Simply register your coded items through the app. Should
you ever lose any of them, finders can contact you through
the mobile app or website. Its that easy!
